Docket No. 619, dated the 19th January 1899, from the Superintendent, Government Press.

With reference to Government Proceedings No. 8248—Mis. 1844, dated 17th instant, has the honor to inform that, under present arrangements, and which day by day will be more complete and perfect, there is no need for any Government work being sent to private Presses. Owing to paucity of hands and other circumstances it was found absolutely necessary to engage the aid of outside agency but no Government work has been sent to any private Press since the 29th ultimo.

The Superintendent begs to convey his assurances of the capability of the Government Press being equal to execute *all* Government work and solicits that instructions may be sent to all Heads of Departments to send *all* work to the Government Press.

No. 9960-97—Mis. 2189, DATED BANGALORE, 25TH FEBRUARY 1899.

ORDER THEREON.—The Government note with satisfaction, that, under the management of the present Superintendent, the work in the Government Press is being done expeditiously. The foregoing communication from the Superintendent will be communicated to Heads of Departments and Deputy Commissioners of Districts for information.

2. Should hereafter, owing to pressure of work, the Superintendent find it necessary to get any work done at any of the private Presses, arrangements must be made to ensure the work being done at rates not exceeding Government rates. In short, the execution of work at a private Press should not entail more expense than what it would have cost if the work had been done at the Government Press.
